WEATHER PROBABILITIES. Sept. 9, 1882. For the Middle Atlantic States partly cloudy weather, local rains, north to east winds, and stationary or lower barometer and temperature.

COLUMBIA S. F. E. COMPANY.—A called meeting of the Columbia Steam Fire Engine Company was held last night, with R. W. Falls, Vice-President, in the chair, and J. H. Strider, Secretary.

Mr. Henry Strauss, in a few appropriate remarks, announced the death of Mr. M. H. Janney, late Treasurer of the company, and on motion, Messrs. H. Strauss and R. W. Wheat were appointed a committee to prepare the proper preamble and resolutions of respect to the memory of the deceased member.

After a short recess the committee presented the following, which, after feeling remarks by several members, were adopted:

WHEREAS, Under the dispensation of an all-wise Providence, our comrade Dr. Mahlon H. Janney, has been called from among us, and we have met to express our sorrow at his loss and our appreciation of his worth. Therefore,

Resolved, That we have heard with profound sorrow of the sudden death of Dr. H. Janney, a faithful and efficient officer, a zealous worker in our common interests, and a genial, courteous and amiable associate.

Resolved, That in the death of Dr. Janney, we are sensible that we are deprived of the companionship, counsel and friendship of a true and worthy member, whose sudden demise we shall always deplore.

Resolved, That in the death of Dr. Janney, we are sensible that we are deprived of the companionship, counsel and friendship of a true and worthy member, whose sudden demise we shall always deplore.

Resolved, That we tender his bereaved family our heartfelt condolence and sympathy in this their sad affliction.

Resolved, That in testimony of the appreciation of our deceased friend and brother, the engine house and apparatus of this company be draped in mourning for 30 days and the flag be placed at half-mast to mourn and the bell be tolled between the hours of 11 and 5:15 o'clock p. m., at which hour his body will be borne to its resting place.

Resolved, That a copy of these resolutions be sent to the family of the deceased.

The meeting then adjourned.

A MYSTERIOUS AFFAIR.—About a week ago a strange woman about forty-five years of age, with a young baby in her arms, accompanied by a young man, went to the house of an old colored woman and stated that she was compelled to go to Richmond for a few days, and that the baby, which was her daughter's, being sick, she did not wish to take with her; that she would give five dollars to any one who would take care of the infant during the few days of her absence.

The strange woman requested the old colored woman to direct her to some responsible party. The old colored woman, seeing an opportunity to make five dollars, said she would take care of the poor little sick baby. The offer was accepted, the money paid over, the baby delivered to its nurse, and the strange woman departed, followed by the well-dressed young man. The strange woman is still absent and the colored woman has on her hands a white infant which she would like very much to get rid of. The young man in the affair gave his name as Campbell. Affairs, with an air of mysteriousness about them, frequently having in Alexandria. A few weeks ago a German, a stranger in the city, sued for, and won the hand of a fair young German girl. A short time after the marriage the man left for parts unknown, and rumor has it that the gay deceiver, just before his departure, received information that his wife in Germany was contemplating a trip to this country.

TEMPERANCE NOTES.—The committee having in charge the anniversary of the Alexandria Reform Club held a meeting last night and made all arrangements for the celebration, which is to take place on the 17th of October in the M. E. Church. Rev. Mr. Pearce, the founder of the club, Rev. Dr. Boyle and Rev. Dr. Mills, have accepted invitations to be present and deliver addresses. A banquet will be provided for the occasion.

Rev. H. M. Wharton, of Baltimore, by invitation of the Reform Club, will deliver a temperance lecture in this city on the night of the 28th.

Golden Light Lodge of Good Templars will hold a public meeting next Tuesday night, at which an excellent musical programme will be rendered.

The Woman's Christian Temperance Union will hold a public meeting in the hall of the Alexandria Reform Club Monday evening next, at which Mrs. Lincoln, state President, will deliver an address.

PROPERTY SALES.—Messrs. Lucas & Co., auctioneers, sold to-day, in front of the market building on Royal street, for Mr. Albert Stuart, commissioner, a lot of ground with a small brick tenement, thereon, on the south side of King street, between Fayette and Henry, to Mr. John Loving for \$900; also, for the same, a lot of ground on the south side of Commerce street, between Fayette and Payne, to Mr. Wm. Dugan, for \$290.

The property advertised for sale by Messrs. Green & Wade, auctioneers, for Mr. Townsend D. Feidall, commissioner, was withdrawn for want of bidders.

THE WASHINGTON AND WESTERN RAILROAD.—A deed of trust has been recorded in the office of the Clerk of the Corporation Court in this city from the Washington and Western Railroad Company to the Mercantile Trust Company for a loan of \$250,000, to be used for the construction of the road in Virginia at the rate of \$30,000 per mile.

The contract for building the Washington and Western Railroad from its present terminus, Round Hill, to Winchester will be

given out next week. There is, it is said, now no doubt but that the road will be pushed ahead as fast as possible to its final terminus, the Ohio river.

BASE BALL.—A game of base ball was played yesterday afternoon on the Resolute grounds between Barley, Jacobs, Green, Bartlett, Cox, Cross, Fairall and Summers, of the Crushers, and Beach, Lambert, Hill, Hayes, Hopkins, Adams, Hall, Buckley and Smith, of the Mashers. The score at the close stood as follows:

Crushers,	1 2 3 4 5 6 7 8
Mashers,	0 1 2 0 0 0 2—5
	0 0 1 1 3 0 1—6

In the 8th, and last inning, the Crushers only had one man out with 2 runs to their credit, when the pitcher of the Mashers refused to play the inning out, on account of, as he claimed, an unfair decision of the umpire.

STRAIGHTOUT REPUBLICANS ORGANIZING. The straightout republicans are organizing for the approaching election all over the State. In this city the friends of Rev. John M. Dawson, the candidate for Congress at-large, are very active. A committee, appointed for the purpose, are busily engaged preparing for a mass meeting to be held on the baseball grounds, near the Cotton Factory, next Friday night, the 15th, at which John M. Dawson, Rev. Dr. R. S. Laws, Rev. Dr. Roane, Perry H. Carson and Dr. S. A. Sumby, of Rhode Island, will deliver addresses.

FUNERAL OF THE LATE MR. JANNEY.—The funeral of M. H. Janney, esq., whose death occurred yesterday, took place this afternoon from the residence of the parents of the deceased, and was largely attended, the members of the Columbia Steam Fire Company being present. Rev. Mr. Suter, was the officiating clergyman, assisted by Rev. Geo. A. Smith. The pall bearers were: Messrs. A. A. Warfield, C. J. W. Summers, G. Wm. Ramsay, C. F. Lee, Jr., Park Agnew and George Uhler. The remains were interred in St. Paul's cemetery.

IMPROVEMENTS IN THE COURT ROOM, &c. The repairs and improvements to the Corporation Court room in this city are rapidly approaching completion. The ceiling is being painted by Mr. Hobson, and Mr. Stoutenburg is doing the carpenter's work. When finished the court-room will present a greatly improved appearance. The September term of the Court, which commences Tuesday next, will probably have to be held for a few days in the clerk's office. The Cliff assault case will be before the grand jury at this term of the Court.

VESSEL TRANSFER.—The transfer of the schooner Miami, from Richard C. Norman, of Charles county, Md., to H. C. Madox, of the same county, for a consideration of \$350, was registered at the Custom House in this city yesterday.

A called meeting of the Relief Hook and Ladder Co. will be held this evening at 8 o'clock by order of the President.
